安世科针对新型冠状病毒疫情措施防护

为了做好新型冠状病毒感染的肺炎预防控制工作，自 2020 年 1 月以来，我司自发成立疫情管理小组，监控员工的健康状态。并且于 1 月 18 日即提前开始春节假期，希望员工能更早地在家休息。

春节期间，为了确保员工在假期间的平安健康，公司疫情管理小组在公司群里呼吁大家每天 APP 接龙报平安，实时告知自己的健康状态。这样不仅让个人能更重视自己的身体状态，也让公司了解自己员工是否需要公司层面的支持与帮助。在此之上，管理小组更是发起健康打卡问卷，针对员工所在城市、目前的健康状况、是否接触过疑似病患等进一步确定员工的身体健康状态，争取做到万无一失，希望员工可以健康平安地度过春节假期。

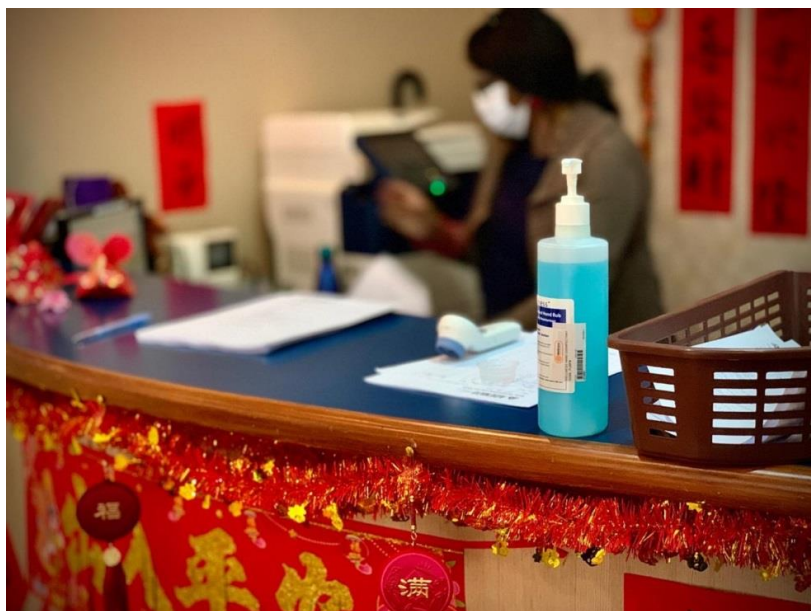

积极响应政府发布的通知，不早于 2 月 9 日 24 时前复工。安世科发公告及时通知员工与 2020 年 2 月 10 日复工。并且对于湖北同事可根据实际情况延后复工，确保员工自身健康。

在疫情的特殊时期，为保证安世科业务连续运行，为客户持续服务。

Update: ASG (Shanghai) Security Technology Co. Ltd's Precautionary Measures Taken in Response to 2019-nCoV Wuhan Corona Virus

In view of the 2019-nCoV Wuhan Corona Virus, ASG (Shanghai) Security Technology Co. Ltd (A Company of Ademco Security Group) has set up an epidemic management team. This is to monitor our staff's health and well-being across China, and also monitor and quickly address emerging situations.

ASG China's office was closed for the Spring Festival from 18 January 2020 and closure will be extended to 10 February 2020; in accordance with the national advisory. During this period, the company has encouraged all staff to do daily health check reporting (via an app). ASG China is ready to provide any assistance and support to our staff when needed. Additionally, ASG China has implemented a staff health and travel declaration form – to record staff's health status based on the city where he/she is located, and if he/she has been in contact with a suspected patient.

ASG China will resume operations on 10 February 2020. Staff who are based in Hubei province shall resume work only when the situation has improved.

We hope for your kind understanding and cooperation. Let's work together to overcome this difficult period!

Meanwhile, you can still reach out to us and we look forward to serving you:
